HOW ARE YOU NAVIGATING YOUR PERSONAL FINANCES?

More often than not, we are **bombarded** with a lot of information related to personal finance. There are a lot of sources available out there: social media, videos, seminars, webinars, books, and even influencers. With the **overwhelming information, we end up confused** and continue to ask ourselves:

- Am I doing the right thing with my money?
- Where should I be investing?
- Have I saved enough for my future and my family's security?

Perhaps, for some people, **investing is not even an option yet**. Struggling with **too many bills to pay, debts** to settle, or having **too many family responsibilities**, it might be very challenging to squeeze in all the expenses with one's income. How much more getting extra money to save up?

HOW CAN FINANCIAL FREEDOM COACHING HELP YOU?

Regardless of any income level and financial status, anyone can achieve financial independence as long as one has the **courage** to take the step, and the **commitment** to change one's or family's life, and future for the better.

Financial Freedom Coaching is a one-on-one guided approach in gearing you up for your financial freedom journey. This **intensive** and **holistic** five-hour session will provide you the right tools, and the road map to lead you towards your financial independence. This helps you:

- ✓ bridge the gap between where you are now financially and where you want to be by providing realistic and actionable strategies;
- ✓ layout your financial freedom blueprint which already solves halfway of your financial independence journey;
- ✓ see all the possible tools that will help you execute your plans and achieve all your financial goals faster;
- ✓ keep track of your journey's milestones through regular checks on tasks and action items.

A 4-STEP PROCESS TO FINANCIAL BREAKTHROUGH

1. MIND-SETTING

A journey of discovery into one's empowering & limiting money beliefs.

3. STRATEGIC PLANNING & EXECUTION

Creating a realistic action plan which serves as one's financial freedom blueprint.

2. ASSESSMENT

Identifying one's financial destination and assessing current resources & hurdles.

4. FOLLOW-THROUGH

Regular checks on action items and milestones throughout the coaching term.

HOW IT CHANGED PEOPLE'S LIVES

"I can honestly say it was life-changing! It feels so good to see that I get to put more on my savings jar and making the right use of the money I have saved. I can't thank Allan enough for this. My husband and I are forever grateful."

Christen & Jesse Ignacio
Entrepreneur & Market Analyst

"We could only wish we met him years ago. But life, as we know it, everything happens for a reason. Just when you thought you are hopeless, God puts someone in your path that will turn things around! We are now more confident looking into a brighter future for our family."

Theresa & Michael Lao
Registered Nurses

"I am truly blessed to meet Allan. I believe that everything happens for a reason, and meeting him was a great opportunity. God really knows what we need before we even ask. It was indeed a mind-blowing brainstorming financial coaching experience. I will be forever grateful for the time, value, ideas, and knowledge he shared."

Renz Tenorio
Entrepreneur

Allan Calumpang is the founder of the Project Noah initiative dedicated to teaching Filipinos personal finance. He gave up his chemical engineering profession devoting his life to learning practical financial strategies for personal money management.

He is a **United Kingdom Chartered Insurance Institute** member with a Certificate in Insurance and Financial Services.
